DESCRIPTION

Sitting at the end of a beautiful, rarely visited beach that stretches for half a kilometre, the garden at Sri Villas seamlessly blends into the golden sand.

This property is a 3 villa complex, with 9 bedrooms which can accommodate up to 18 people. While the villas are equipped to cater to the expectations of modern living, much of the design is based on traditional Sri Lankan homes. High vaulted ceilings, tall louvered doors and windows shading large open spaces provide wonderful ventilation and allow the cooling ocean breeze to permeate the property.

Sri Villas is one of the few privately owned properties on the southwest coast of Sri Lanka that can truly be called beachfront, boasting undisturbed panoramic views of the Indian Ocean. Built by three friends as their retreat from some of Asia's most hectic cities, their three stylish villas sit on a secluded unspoilt beach and share a beautiful pool, tropical gardens and incredible sunsets.

Sri Villas is the last word in elegant beachfront living.
