DESCRIPTION

Triton is one of three luxury villas situated in Lockrum on the Kamique Estate. Distinctly modern and West Indian at the same time, Triton offers multiple seating areas both covered and uncovered by the pool, for lounging, dining, and experiencing the jaw-dropping Anguillian oceanfront view.

The West Indian inspired interiors are modern yet inviting, with colorful island accents that accentuate the stunning location and the surroundings framed by large windows throughout. Exposed beams and white ceilings give an open and airy feel, with spacious bedrooms and living areas oriented to the views.

There are two master suites, a mini master suite with an adjoining garden view bedroom, and two more ocean view bedrooms for a total of six bedrooms. An open, modern kitchen with a large eat-in island and a fully equipped media room make this property a dream destination for extended family and friends.

Inquire about Triton's sister properties— Odyssey and Anani at Kamique— to potentially add four or eight bedrooms to accommodate larger groups.
