DESCRIPTION

Villa Kalyana is located in the traditional, quiet village of Laem Sor, along the tranquil south coast of Koh Samui. Villa Kalyana accommodates up to 48 adults and 18 children across 26 superior bedrooms and the devoted in-villa team are available to respond to your requests.

From the splendour of the lounge pavilion to the luxury bedrooms, beach side swimming pools, tranquil massage salas, light-filled rooms and private terraces, there is always a comfortable space to relax in the villa.

The dining areas comfortably seat large groups for valuable social time together whilst enjoying delicious home cooked food. Villa Kalyana has a yoga and gym pavilion and a games room for indoor entertainment.

With a fusion of modern and antique furniture, lush garden and sea views you'll feel the sense of the true exotic experience with the familiar comforts and ease of being at home.

Laem Sor beach enjoys striking sea views across to Koh Matsum and Koh Tean.

Thai style massage salas overlook the beach; the perfect place for an indulgent treatment.

The two enticing swimming pools, set in extensive tropical gardens are at the heart of the villa. Shaded by coconut palms with panoramic ocean views, a dip is a delight. A shallow pool section for small children allows them to play independently and safely.

Saunter over the wooden bridge to our hammock island – the ideal place for an alfresco snooze under the swaying palms.

Whether you opt for a relaxing afternoon nap or a well-deserved late morning lie-in you will find the bedrooms spacious and comfortable.

The highest quality mattresses, sheets and linens are used, while the options of fan and air-conditioning will ensure you sleep soundly throughout your stay.

Villa Kalyana's master suite includes a private outdoor bath and a cloistered massage sala. The beach front villa bungalows boast luxury four poster beds, tropical outdoor waterfall showers and also indoor baths.

The dedicated bunk room for the children interconnects with one of the adult rooms so the children are within easy reach at night.
