DESCRIPTION

Lord Jim Retreat has four bedrooms in distinct villas that are well-appointed with traditional and simple king-sized wooden beds one of which is a four-poster. The luxurious amenities include ensuite bathrooms and air-conditioning. The master bedroom has a single daybed for lounging. Each room has a study desk with a chair for your work and leads to a terrace where you will find lounge chairs or a breakfast area allowing you to enjoy fresh air whenever you wish.

Whether it is the luxurious 18-metre swimming pool with its glimmering water or the stunning and spell-binding view of the ocean and hills, the outdoors at Lord Jim Retreat remain one of the finest in the area. The pool is bordered by a pool deck beyond which lies a rectangular garden. Lounge on the deck chairs while enjoying the breath-taking view or head to the terrace for a cup of tea in the morning or some drinks while bidding adieu to the sun in the evenings.

Lord Jim Retreat has been designed in a traditional and homely fashion with rustic interiors, blush tones and ample woodwork. The living room is adjoined to a balcony that reveals the luscious hillside. Reminiscent of a cabin in the mountains, the living area is decidedly-cosy and warm inviting you to lay down on the sectional and spend some time with your loved ones. An otherwise minimally-decorated space, the living area is your family room at the villa offering you just the right amount of comfort for a memorable time.

The dining area is situated outside on the terrace with a gorgeous wooden six-seater to eight-seater dining table that overlooks the garden and pool area as well as the stunning scenery beyond. A old-school kitchen with distressed countertops and wooden cabinets is at your disposal. It is modern and fully-equipped with a classic, food scale.
