The Property

Villa Babylon is an exceptional eight-bedroom private retreat located in the peaceful coastal village of Seseh, Bali. Just a three-minute walk from the beach, this luxury villa combines California-inspired design with contemporary coastal elegance to create a truly memorable island escape.

Designed for both relaxation and connection, Villa Babylon offers spacious living areas, stunning ocean views, and a unique architectural style inspired by ancient Babylonian influences. Accommodating up to sixteen guests, the villa is ideal for large families, groups of friends, wellness retreats, or special celebrations.

At the heart of the property lies a spectacular 22-metre swimming pool, complemented by a jacuzzi, plunge pool, and sunken fire pit. Together, these features create a striking focal point that encourages guests to unwind and enjoy Bali's tropical lifestyle.

Interiors

From the moment you arrive, Villa Babylon impresses with its bold design and refined interiors. Natural stone finishes, expansive glass walls, and carefully curated furnishings create a sophisticated yet welcoming atmosphere throughout the villa.

The spacious open-plan living area serves as the social heart of the property. An iconic spiral staircase acts as a dramatic architectural centrepiece, while comfortable lounge spaces and unique artwork add warmth and character. Floor-to-ceiling openings seamlessly connect the indoor spaces with the outdoor terraces and pool area.

The dining space is perfect for shared meals and celebrations, while the fully equipped kitchen features an elegant marble bar and everything needed for effortless entertaining. Guests can also arrange private chef services for breakfast, lunch, and dinner, adding an extra level of luxury to their stay.

A projector in the main living area provides entertainment for movie nights, sporting events, or family gatherings. In addition, a dedicated treatment room allows guests to enjoy private spa therapies and massages without leaving the villa.
