DESCRIPTION

Located close to the central part of Lech-am-Arlberg, Chalet Prey is a contemporary chalet just steps away from the Schlosskopfbahn ski lift. This family-friendly alpine ski chalet, with astounding views, has 450m² of comfortable living space, spread over three levels, connected via stairs and an elevator.

The interior is stylishly decorated in warm alpine colours. Wide, floor-to-ceiling windows allow the alpine light to flood into the chalet which has natural wooden floors throughout. Guests can make themselves at home in the spacious top-level living area with its traditional Austrian fireplace, vaulted ceiling, fully-equipped open-plan kitchen and dining area with panoramic windows and large balcony.

The chalet is fitted with various modern appliances, such as DVD, SMART TV, iPod docking station and Wi-Fi.

The ground floor spa contains a sauna, Jacuzzi and a relaxation area. A special feature is the in-house wine cellar. Also on the ground floor is a ski room with boot heaters, the laundry area and a staff office.

In the four bedrooms, the ski chalet can accommodate up to eight adults. There is one master suite, two double rooms and one twin room. All have en-suite bathrooms with stylish marble finishes and some have individual terraces.
