DESCRIPTION

Located in Les Grassonets area of the Chamonix Valley, Chalet Picoso is a newly renovated property which combines rustic Alpine design with bright decor and modern features. The chalet is a three-minute drive from Les Grands Montets and the village of Argentiere with cross country ski tracks, walking paths and bike trails passing next to the chalet.

Chalet Picoso enjoys a spacious open-plan living and dining area with sofas set around a wood burning stove. Meals can be enjoyed around the dining table, which seats eight guests comfortably, or at the kitchen's breakfast bar. Doors open out onto a large terrace overlooking the pool, with views across the valley to the Aiguille du Midi, forest and snow-capped peaks.

Chalet Picoso accommodates up to eight guests across four en-suite bedrooms. There are three double rooms which can also be made up as twins and a fourth double room accessed from the ground floor which provides access to the terrace. Two bedrooms have en-suite bathrooms and the remaining two en-suite shower rooms.

Guests staying at Chalet Picoso have access to a heated outdoor pool all year round as well as a large sauna area with a shower and WC. There is also a cosy TV room with a fireplace and sofas - the perfect spot to enjoy a movie night. The chalet also offers private parking.
