DESCRIPTION

Measuring over 1,250 metres square, this luxury 5-bedroom Barbados villa was designed by local award-winning architects Gillespie & Steel and uses some of the island's most beautiful materials. The clever design brings the outside in with incredible views of the infinity pool and the sea beyond from the villa's spacious, open plan living area, gated ensuring total privacy, Godings combines modern comforts with stylish living. From the Boffi kitchen and designer furnishings – think Ralph Lauren and Christian Liaigre. There's a state-of-the-art gym, glass-walled study and home cinema room, as well as access to a range of watersports equipment and a yoga pavilion.

Service is exemplary, too. A private cook can tailor menus and a house manager can arrange everything from dining at the island's most exclusive restaurants, to sunrise yoga sessions and stand-up paddle boarding adventures. This luxury 5-bedroom Barbados Villa is pure tranquility!
