DESCRIPTION

Villa Penford is a divine 8 bedroom Ibiza property surrounded by a beautifully laid-out garden, which invites you to enjoy sunny hours between lemon and olive trees. The villa is ideally located; only a 10 minute drive from the airport and a short drive to the renowned South coast beaches Es Cubells and Cala Jondal, and all relevant shops close to Sant Josep.

The reformed Ibizan Finca combines beautiful traditional Balearic elements with luxury furnishing. It is decorated in a sophisticated style creating a sumptuous homely feel. A certain coziness is given by a fireplace in the centre of the living area, even giving colder days a warm inviting feeling. The contemporary kitchen and adjacent dining room are fully equipped with all modern appliances for extensive cooking and dining sessions.

The exteriors of Villa Penfors are polished and sleek, with white terraces and a freshwater pool surrounded by soft lounge seating. Beyond the pool terrace, 1000 square meters of lush lawns and shady courtyards offer additional places to relax. The villa's vegetable garden offers seasonal delicacies from tomatoes, carrots, zucchini to parsley and arugula.
