DESCRIPTION

Spanning two acres at the eastern end of Grace Bay with 200 feet of beach frontage, this exquisite property is ideal for large groups with diverse interests.

Newly built and immaculately finished, the spacious bar, media room, the 100ft long infinity edge pool with 16-person outdoor spa and outdoor kitchen provides plenty of options to gather together, but when you need a little solitude, you'll find just as many inviting spots to unwind: hanging daybeds, two beach decks, shady terraces and a sunken seating area, to name a few.

Active vacationers will have pickle ball, ping pong and basketball facilities, snorkel or kayak equipment, and a fully equipped gym at their disposal. And if that is not enough, there is also a hair salon with a manicure and pedicure station to ensure you look as good as you feel. All this, with a full complement of staff to attend to your every need.

Step Inside...

Sleek and modern in design, every inch of this property is immaculate, from the vast living room and the large indoor dining table, carved from a single slab of walnut wood, to the sculptural staircase.

Six spacious guest bedrooms, all with ensuite bathrooms and private terraces are set around a tranquil courtyard, while four principal bedrooms with king size beds face the ocean. The downstairs masters include spacious bathrooms with separate soaking tubs and showers and access to a generous terrace, while the upstairs suites include private living rooms, indoor and outdoor showers, and doors leading out to a furnished upper terrace.
