DESCRIPTION

Exclusive Oceanfront Escape

SPO is an oceanfront luxury villa that combines privacy, space, and refined coastal living. Located on a secluded stretch of pristine shoreline, it offers families, private groups, and high-end guests an unforgettable beachfront retreat.

Private and Spacious Accommodation

The oceanfront luxury villa features eight elegantly designed bedrooms. Only one group occupies the entire estate, guaranteeing total privacy. For larger gatherings, a separate wing provides three additional bedrooms, accommodating extended groups without compromising the villa's intimate atmosphere.

Breathtaking Views

Every bedroom and living area offers uninterrupted views of the private pool and the ocean beyond. The villa's layout maximises natural light and airflow, creating a seamless connection between indoor and outdoor spaces.

Luxurious Bedrooms and Bathrooms

Each bedroom includes a spacious en-suite bathroom with rainfall shower, air conditioning, ceiling fans, satellite TV, mini fridges, safety boxes, and premium new bedding. Guests enjoy high-quality toiletries and a five-star experience in a private, relaxed environment.

Outdoor Living

Guests can swim in a 20 x 40-foot private pool that overlooks the ocean. Just steps away, a secluded beach provides direct shoreline access. Nearby surf spots and calm swimming beaches add variety and convenience.

Personalized Service

The villa is fully staffed, including a professional private chef. They prepare meals tailored to guests' preferences. From casual breakfasts to elegant dinners, every detail is handled with discretion, letting guests fully relax and enjoy the setting. SPO is more than a villa, it is an oceanfront luxury villa that offers privacy, exceptional service, and one of the most privileged coastal locations available.
