DESCRIPTION

This elegant 2 level villa offers 6 bedrooms and beautiful Italianate architectural features. Wrought iron gates open into a sheltered planted patio area with a plunge pool, leading to the impressive glass-walled entrance. Large double doors open to the light-filled lobby area flanked by two staircases with ornate balustrades sweeping gracefully to the upper level.

Leading from the lobby on the ground floor, a stunning ocean view awaits you from the large open plan air-conditioned living space. On the right hand side is a well-equipped kitchen and long granite topped breakfast bar, and to the left a large dining table and in the front, facing the ocean is a spacious and comfortable lounge and TV viewing area. Glass sliding doors open out to a covered terrace just steps from the beach with comfortable seating and dining area and a large wrought iron gated partition opening to a beachfront sun deck equipped with stylish loungers.
