### DESCRIPTION

The residence is a collection of stunning features. The architecture wraps itself around the courtyard, where you will find a large swimming pool and an outdoor lounge that boasts a cozy firepit. Tropical plants turn this space into a peaceful and private hanging garden. Inside, the chic Eastern-inspired lounge fuses with the games room and bar. The living room, dining room, and kitchen are roomy enough for large parties, and there is even a private cinema with tiered seating.

The bedrooms are equally impressive, all impeccably decorated and some with their own outdoor bathtubs and panoramic showers. The show continues on the rooftop, where you will find an outdoor bar and dining table, a second swimming pool, and sunbeds that overlook the surrounding greenery.

Situated in a gated community within Aldea Zama, Tulum's prime neighborhood, Casa Don Rey is the ultimate hideout to explore the legendary atmosphere of this town and bring the fun into your holiday home.
