DESCRIPTION

Luxury Villa with Sea View Yoga Platform

This luxury villa with sea view yoga platform offers a spacious and feature-rich stay across five levels. The villa suits families, groups of friends, or guests who want privacy, sea views, and a wide range of leisure facilities. It combines elegant living spaces, en-suite bedrooms, work areas, wellness features, and outdoor activities.

The main entrance opens into a stunning living room. Here, guests can enjoy a handmade fireplace and an arched front window with breathtaking sea views. In addition, an office on the same level includes an oak desk, iMac, and comfortable armchairs. This makes it easy to keep up with work while still enjoying a relaxing holiday.

This luxury villa with sea view yoga platform also includes a contemporary kitchen and dining area on the lower level. Guests can reach this space by staircase from the living room. Moreover, this level offers direct access to the BBQ area, which makes outdoor meals simple and sociable.

Sea View Bedrooms and Pool Access

A few steps down from the kitchen level lead to three bedrooms. These rooms offer one king-size bed, one queen-size bed, and two single beds that can join into one king-size bed.

Each bedroom has an en-suite bathroom and a balcony with sea views. In addition, the bedrooms have direct access to the pool. As a result, guests can move easily from their rooms to the outdoor areas.

This bedroom level works well for guests who want comfort, privacy, and quick access to the pool.

Lower Level Accommodation and Playroom

The lower level includes a playroom with sofa beds. This gives guests an extra space for relaxing, games, or informal sleeping arrangements.

This level also includes a laundry room and two more bedrooms. Each bedroom has an en-suite bathroom.

One bedroom has a queen-size bed. The other has two single beds that can join into one king-size bed. Therefore, the layout offers flexibility for families and groups.
