DESCRIPTION

Elegant Interiors Inspired by Morocco

Upon entering through a grand wrought-iron doorway, guests are welcomed by two impressive Art Deco-inspired halls that set the tone for the villa's refined aesthetic. Spanning nine beautifully appointed bedrooms, each with a private bathroom, the interiors seamlessly blend handcrafted Moroccan elements with contemporary luxury.

Every bedroom is equipped with air-conditioning, a TV, and secure storage, while some feature 180-cm king beds, bathtubs, or garden views. Two foldable beds are available on request for added flexibility.

Large openings throughout the residence invite natural light and views of the surrounding landscape, creating a constant connection between indoor comforts and the beauty of the outdoors. Whether gathered around board games, relaxing with music, or sharing meals, the villa's expansive interior spaces foster a sense of togetherness and wellbeing.

Outdoor Living & Wellness

Set on a full hectare of landscaped grounds filled with ancient olive trees and palms, Villa Kamkwamba Marrakech is an oasis in the desert. The vast garden centres around a spectacular 25-metre heated swimming pool, complete with shaded loungers and panoramic views.

- Massage room
- Padel court (rackets provided; balls available locally)
- Beautiful alfresco dining terraces
- Tranquil seating areas throughout the gardens

The result is a setting that invites pure relaxation, rejuvenation, and connection with nature.
