DESCRIPTION

Villa Ceylon Sun – Luxury Beachfront Villa in Wadduwa, Sri Lanka

Discover Villa Ceylon Sun, a luxury beachfront villa in Wadduwa on Sri Lanka's peaceful southwest coast. Set along a quiet stretch of golden shoreline, the villa offers tropical gardens and uninterrupted views of the Indian Ocean. Although it feels secluded, the property is only a short drive from Colombo.

As a result, guests enjoy both privacy and convenience. Designed for families, friends, and retreats, Villa Ceylon Sun blends tropical charm with spacious interiors. Guests can relax beside the private pool or enjoy ocean breezes from the beachfront terrace. Meanwhile, the expansive garden provides space for celebrations, games, or quiet moments by the sea.

Spacious Interiors and Ocean View Living

The two-storey villa comfortably accommodates up to fourteen guests. Therefore, it is ideal for family gatherings and group holidays. Four large guest bedrooms sit on the ground floor, each offering calming sea views and easy access to the main living areas.

Two bedrooms feature king-size beds, while two others include twin beds with additional sleeping lofts. As a result, the villa provides flexible accommodation for families with children or larger groups. Each bedroom also includes a private en-suite bathroom with a rain shower. Additionally, air-conditioning and ceiling fans ensure comfort throughout the day.

The open-plan living and dining spaces overlook the private pool and the Indian Ocean beyond. Natural light fills the interiors, creating a calm and welcoming atmosphere. Consequently, the villa feels bright, relaxed, and perfectly suited to coastal living.

Private Pool, Tropical Gardens and Beachfront Living

Outside, the private swimming pool sits within lush tropical gardens overlooking the ocean. Palm trees and open lawn areas create an inviting setting for outdoor relaxation. For example, guests can lounge in the sun, play games on the lawn, or simply enjoy the warm sea breeze.

The oceanfront terrace offers the perfect place for morning coffee or sunset drinks. Meanwhile, the spacious garden provides an excellent setting for small celebrations and gatherings.

Guests also enjoy direct access to the beach. As a result, sunset walks along the shoreline quickly become a daily ritual during a stay at Villa Ceylon Sun.

Wellness Retreats and Relaxed Island Living

Upstairs, a breezy lounge offers sweeping views across the Indian Ocean. During the day, this peaceful space can transform into a yoga pavilion. Therefore, it is ideal for meditation, stretching sessions, or wellness retreats.

In the evening, the lounge becomes a relaxed social area. Guests can gather around the pool table, share stories, or unwind after a day exploring the island.

Because of its spacious design and tranquil surroundings, Villa Ceylon Sun is also perfect for yoga retreats, creative workshops, or group escapes.

Dedicated Villa Staff and Personalised Service

A professional villa team ensures a seamless and relaxing stay. The villa manager remains available to assist with guest requests, including airport transfers, excursions, or local recommendations.

Meanwhile, an in-house chef prepares delicious meals inspired by Sri Lankan and international cuisine. Menus can also be personalised to suit dietary preferences. Daily housekeeping ensures the villa remains fresh and comfortable throughout the stay.
