DESCRIPTION

Bordering the ocean under the warm tropical sun, Villa Stella will lull you to relaxation as you lounge under the blue sky listening to the soothing sounds of the waves. The property is quite spacious for a 4 bedroom villa, giving the guests a great amount of freedom to simply roam around and relax. It is particularly suitable for group of friends or families those who visit Bali to fully relax and enjoy a silent and peaceful vacation away from all the responsibilities, noise, bustle and this villa is perfect for wedding venue. You will be pampered and very well taken care of by the extremely friendly and accommodating staff.

The 4 bedrooms of the villa have a generous amount of personal space for the guests when it comes to both the room interiors and a private garden space. They all give amazing views of the ocean from the very inside of the room. Ornately carved wooden furniture have been placed to resemble an opulent Balinese residence with a comfortable bed, a few couches and daybeds to simply relax. Elegant masterpieces of art adorn the walls of the rooms, adding color, culture and a touch of true Balinese tradition to the surroundings.

All four deluxe style bedrooms are equally spacious and given the same level of attention to detail when decorating. The rooms come with comfortably and conveniently designed en-suite bathrooms.

There are two adjacent swimming pools in the villa, both designed to be perfectly family friendly. The shallow end of the pool is ideal for the little ones to splash about as the parents lounge on the comfortable sunbeds on the pool deck. The garden of the villa has a lot of outdoor hangout spots, making for lovely alfresco dining experiences for couples where they can enjoy deliciously made local dishes in candle light against a beautiful scenery that looks right out of a fairytale.

The best way to describe the indoor living spaces of Villa Stella is pure elegance. From the colors and textures used in decorations to the mere interior architecture of the property, everything is designed to bring an ever present sense of peace to the surroundings. The dining area and the living room both has a stunning unobstructed view of the ocean. In fact, the dining area of the villa is an open walled outdoor pavilion that is located on a platform right next to the ocean.

There are 8 dedicated staff members in Villa Stella who are highly trained in what they do. They will make sure you get impeccable housekeeping and garden maintenance service, giving you a relaxing and highly VIP experience during your stay. Your daily breakfast and any meal that you request will be made with care by a staff chef at the cost of groceries. You will also get a personal guest assistant to ensure all your requirements are made for a perfect vacation.

Located in Candidasa Bali, Villa Stella places you in a very much neutral destination in this lovely tropical island. You will be away from overly touristy areas and yet near enough to have a short drive to the most beloved attractions. Tirta gangga royal water garden is a must see during your stay, and when you want something different and delicious for your taste buds, do not forget to drop by Lezat Beach Restaurant for lovely seafood meal with a view!
