DESCRIPTION

Luxury Sea View Villa in Phuket

Inside, Villa Borimas combines contemporary tropical design with relaxed island luxury. Set across two sea-facing levels within the exclusive Surin Beach hillside estate, the villa offers uninterrupted views across the turquoise Andaman Sea and Phuket's dramatic west coastline.

Designed around natural light and seamless indoor-outdoor living, the interiors feature bespoke furnishings, calming neutral tones, and elegant contemporary styling. Floor-to-ceiling concertina doors open entirely to the sea-facing terraces, allowing ocean breezes and tropical sunlight to flow throughout the villa.

The spacious open-plan living and dining area connects effortlessly to the marble pool terrace, while the fully equipped kitchen and relaxation room create comfortable spaces for entertaining and unwinding.

Villa Borimas accommodates up to eight guests across four luxurious en-suite bedrooms, making it ideal for families or groups seeking a peaceful yet sophisticated island retreat.

Outdoor living sits at the heart of Villa Borimas. The stunning 10-metre infinity pool overlooks the Andaman Sea, creating a dramatic focal point framed by white marble terraces and tropical greenery.

Comfortable sun loungers and a shaded pergola provide spaces to relax throughout the day, while the elevated moon deck offers one of the villa's most memorable settings for sunset cocktails and evening dining.

In addition, tropical gardens and a plunge pool with waterfall features create a private and tranquil atmosphere across the property.

Whether enjoying long afternoons by the pool or relaxed evenings beneath the stars, the villa delivers an effortless tropical lifestyle.
