DESCRIPTION

Luxury Beachfront Villa in Anguilla with Private Tennis Court

Blue Diamond at Altamer is an exceptional Anguilla villa set just steps from the white sands of Meads Bay. Combining contemporary Caribbean design with world-class amenities, this spectacular beachfront retreat offers breathtaking ocean views, elegant interiors, and outstanding facilities for families and groups.

Sleeping up to 10 guests in the main villa, with additional accommodation available in two separate garden houses, Blue Diamond at Altamer provides an unforgettable luxury escape in one of the Caribbean's most exclusive destinations.

Five Luxurious Bedrooms

Blue Diamond at Altamer features five beautifully designed bedrooms, each offering spectacular ocean views and luxurious comfort.

Four guest bedrooms occupy the third floor. Each includes vaulted ceilings with skylights, elegant marble en-suite bathrooms, and custom spa bathtubs. Additionally, these bedrooms can be combined into two spacious family suites with shared sitting areas upon request.

The impressive master suite enjoys panoramic sea views from a private furnished balcony. It also features a loft office and a luxurious Travertine marble bathroom with a walk-in shower and a Jacuzzi beneath a skylight.

Furthermore, two wellness rooms can be converted into additional sleeping areas for younger children when required.

For larger groups, two separate air-conditioned garden houses provide extra accommodation. One offers an open-plan loft layout, while the second includes two bedrooms, three bathrooms, a fully equipped kitchen, and a balcony with a private Jacuzzi overlooking the Caribbean Sea.

Elegant Living Spaces

Blue Diamond at Altamer showcases sophisticated interiors inspired by Brazilian design and vibrant Caribbean colours. Rich Amazon green and amethyst silk fabrics combine with original artwork to create a distinctive and luxurious atmosphere.
