DESCRIPTION

Doubles – Exclusive Beachfront Estate on Harbour Island

The Property

Doubles is an exceptional beachfront estate on Harbour Island. Set along the island's famous pink sand beach, it combines luxury, privacy, and outstanding service in a spectacular oceanfront setting.

The estate was designed to make the most of its prime beachfront location. As a result, guests enjoy sweeping Atlantic Ocean views from many areas of the property. Lush tropical gardens surround the estate and create a peaceful atmosphere throughout.

The property includes a five-bedroom beachfront main house and a separate two-bedroom pool house. Therefore, it is ideal for extended families, larger groups, or guests who would like extra privacy during their stay.

Interiors

The main residence embraces its oceanfront setting with bright open-plan living spaces and panoramic sea views. Elegant interiors combine contemporary comfort with relaxed Caribbean style, creating a welcoming environment for both entertaining and relaxation.

At the heart of the villa, spacious living and dining areas connect seamlessly with the outdoor terraces. This design allows guests to enjoy the tropical climate throughout the day. Meanwhile, the gourmet kitchen provides everything needed for casual family meals or private chef experiences.

The five bedrooms in the main house offer comfortable and stylish accommodation. Each room has been thoughtfully designed to create a calm and relaxing retreat.

The separate pool house provides two additional bedrooms and overlooks its own swimming pool. As a result, guests can enjoy extra privacy while remaining close to the estate's shared facilities.

Exteriors

The outdoor spaces celebrate the natural beauty of Harbour Island. Tropical gardens provide privacy and enhance the estate's connection to the surrounding landscape.

An elegant courtyard pool sits at the centre of the main residence. In addition, a second 50-foot swimming pool serves the pool house and offers another place to relax in the sunshine.

Guests can also enjoy a private gym, sauna, and cold plunge. Together, these facilities create a complete wellness experience. Outdoor lounges and dining areas provide inviting spaces for sunset drinks, long lunches, and evening gatherings.

Perhaps the estate's greatest feature is its direct access to Harbour Island's famous pink sand beach. Guests can step straight onto the shoreline and enjoy crystal-clear waters just moments from the villa.

Location

Doubles enjoys one of the most desirable locations on Harbour Island. Although the estate feels peaceful and secluded, guests are only minutes from the island's village centre.

Here, visitors can explore boutique shops, renowned restaurants, lively cafés, and the marina. Furthermore, Harbour Island is known for its unique combination of laid-back island charm and world-class luxury.

Whether you are planning a family holiday, a special celebration, or a private island escape, Doubles offers an unforgettable Caribbean experience.
