DESCRIPTION

Fresh Wind – Luxury Barbados Villa at Apes Hill Club

From the moment guests arrive, the villa's open-plan living space creates a sense of light and flow. Clean architectural lines, dramatic sculptural lighting, and elegant furnishings set a sophisticated tone. At the centre of the room, a stylish kitchen bar invites relaxed gatherings. It is the perfect place for sunset cocktails or a leisurely morning coffee.

Set within the elevated landscape of Apes Hill, Fresh Wind Barbados villa offers privacy, space, and spectacular views across lush fairways and the sparkling Caribbean coastline.

Stylish Interiors and Private Bedroom Suites

Inside, the villa blends contemporary black and white interiors with vibrant tropical accents. As a result, the atmosphere feels polished yet welcoming.

The property includes four beautifully designed bedrooms. Two bedrooms feature king-size beds, while the remaining two are furnished with queen-size beds. Each bedroom has its own modern ensuite bathroom and distinctive colour accents.

In addition, every bedroom opens onto a private terrace or patio. These quiet outdoor spaces are ideal for slow mornings, peaceful reading, or evening conversations beneath the warm Caribbean sky.

Two bedrooms are located on the ground floor, while the remaining two sit on the upper level. Upstairs guests will also find a comfortable secondary lounge area and a private office space for those who need to stay connected while travelling.

Infinity Pool, Fire Pit and Outdoor Living

Outdoor living is at the heart of the Fresh Wind Barbados villa experience. Just beyond the main living space lies a beautiful alfresco dining terrace designed for long, relaxed evenings.

Here guests can enjoy outdoor grilling, shared meals, and conversations around the glowing fire pit. Meanwhile, the infinity pool stretches toward panoramic views of the Caribbean Sea and the rolling greens of the Apes Hill golf course.

Nearby, an oversized chair gazebo offers the perfect setting for late-afternoon lounging. A private jacuzzi provides another luxurious place to unwind after a day exploring Barbados.
