DESCRIPTION

Villa Cereza is a Luxury Villa in Ibiza. The clear waters and golden sands of the beach at Cala Bassa and the delights of the [Cala Bassa beach club](#) are within easy walking distance.

Villa Cereza sits within 14,500m² of grounds and offers plenty of outside areas in which to relax. As well as the beautiful pool (5m x 13m), the grounds are home to a cabana-style tree house bedroom, a yoga platform and outdoor fitness area, and a tranquil Japanese garden.

Take a dip in the pool while you admire the countryside views. The wide deck that runs around the pool is home to an oversized four-poster daybed - or soak up the Ibizan sunshine on one of the poolside sun loungers.

Alongside, the garden bar area has a cabana-style feel. Here, there's a large gas barbecue, bar seating and a large dining table with bleached wood benches.

Across the lawn in the shade of the terrace, there's a further selection of al-fresco living spaces, including soft sofa seating, a rustic swing bench, and a shady dining area of rustic bleached wood table and bench seating.

Light floods the bright interior spaces, where creamy natural stone and soft wood tones predominate. The main living area combines soft sofa seating and a cosy fireplace, while the central island in the spacious kitchen has breakfast bar seating for six.

On the first floor of this luxury villa in Ibiza, there's a further relaxed terrace space with pretty sea views - the perfect spot from where to enjoy the beautiful Ibizan sunsets.

Separate staff accommodation is located in the grounds.
