DESCRIPTION

Villa Bay – Contemporary Seafront Villa in Tenerife

Located on the prestigious Maritime Avenue in Candelaria, Villa Bay is a stylish contemporary retreat offering spectacular ocean views, elegant interiors, and direct proximity to the seafront. Combining modern design with relaxed coastal living, this luxurious four-bedroom villa provides the perfect setting for unforgettable holidays with family or friends on the beautiful island of Tenerife.

Spread across multiple levels, the villa has been thoughtfully designed to maximise both privacy and connection to the surrounding sea views. The interiors are refined and sophisticated, with a striking balance of black and white tones accented by carefully selected colours that create a calm and elegant atmosphere throughout the property. Large windows and open spaces allow natural light to fill every room while continuously framing the stunning harbour and ocean scenery.

At the heart of the villa is a bright and spacious open-plan living area located on the ground floor. Here, a fully equipped contemporary kitchen features a stylish breakfast counter positioned directly in front of expansive windows overlooking the sea, creating the perfect place to begin the day. The adjoining lounge and dining area offer comfortable seating, television, and floor-to-ceiling glass doors that open seamlessly onto the outdoor terraces.

Villa Bay accommodates guests across four spacious double bedrooms distributed between the ground and lower levels of the property. Each bedroom has been designed with comfort and simplicity in mind, offering peaceful spaces ideal for rest and relaxation after long days enjoying the island.

One of the villa's most unique features is its dedicated entertainment level located near harbour level. Inspired by elegant marine décor, this sophisticated games room includes a billiards table and poker table, creating a stylish social space perfect for evenings spent with family and friends. An additional lounge area on the lower level further enhances the villa's relaxed and welcoming atmosphere.

Outside, Villa Bay offers several terraces and balconies spread across different levels, allowing guests to enjoy both privacy and shared outdoor living spaces. The expansive terraces are designed to fully embrace Tenerife's year-round sunshine and spectacular coastal setting.

Comfortable lounge areas, including a shaded seating corner with hanging chairs, create inviting spaces for relaxing afternoons, sunset aperitifs, or outdoor dining overlooking the sea.

The private swimming pool forms the centrepiece of the outdoor area, offering a refreshing place to unwind while enjoying uninterrupted views across the harbour and Atlantic Ocean. Whether spending quiet mornings beside the water or gathering together for evening drinks on the terrace, the villa's outdoor spaces perfectly capture the laid-back elegance of island living.

Ideally positioned in Candelaria, Villa Bay is just twenty minutes from Santa Cruz de Tenerife and within easy reach of the island's northern regions. Despite Tenerife's popularity,
