DESCRIPTION

Spread in three different levels, and an autonomous beach house, they all offer magnificent view to the sea, and the advantage of exclusive privacy.

The property can accommodate up to 10 guests, in 5 bedrooms split between three separate sections. The villa, built in the traditional Aegean style, is decorated in modern style, mixed with sophisticated features, which offer an elegant atmosphere. The gorgeous garden, full of Greek plants, like pine trees, olive trees and cypresses, as well as local flowers, make the villa the perfect setting for a family getaway. The vast verandahs offer glorious golden sunsets, while the outdoor lounges, dining areas, and barbeque provide cozy corners, and are ideal for all needs – from peaceful family gatherings to romantic summer parties. The English-speaking general manager of the villa provides 24 hours service.
