DESCRIPTION

Located within walking distance of a quiet beach, this contemporary stone villa on Corfu's north coast has been created by an award-winning team of architects and designers. It offers a luxurious getaway for up to 10 guests in beautiful, serene surroundings.

Outdoors, guests can enjoy a dip in the 20-metre swimming pool or soak in the Jacuzzi with a glass of bubbly in hand. Surrounding the pool is a paved terrace with sun loungers and umbrellas, while a shaded lounge area at one end provides restful escape from the sun.

A pergola area offers additional outdoor seating and space for al fresco dining. On the other side of the property, a spacious courtyard features another dining area with a barbecue and wood-fired pizza oven, ideal for relaxed, social meals.

The expansive gardens create a sense of privacy and tranquillity. Guests can wander through lush lawns, apple, pear, citrus, and chestnut groves, a vineyard, and over 100 olive trees—many more than 150 years old—that produce the estate's beautiful organic olive oil.

The accommodation consists of a main villa and a separate guest house. The main villa features a spacious, double-height living area with comfortable lounge seating, an elegant dining table, and a stunning kitchen equipped with modern appliances.

Above the kitchen, a bright mezzanine hosts a home office area, perfect for those who need to catch up on a few work emails during their stay.

Four double bedrooms are located within the main villa, each featuring luxurious beds, en-suite facilities, and terrace or balcony access. The fifth double bedroom is situated in the separate guest house, which includes its own cosy living room and kitchenette for those seeking extra privacy.

With its peaceful setting and easy access to nearby beaches and villages, this property is an ideal choice for guests seeking a luxurious stay on the beautiful island of Corfu.
