Sea-View Bedrooms

Villa Opal offers seven bedrooms across the main house and guest rooms.

The first floor features two beautiful sea-view doubles. The principal bedroom includes a walk-through wardrobe and access to a large shared terrace. Its en-suite bathroom features a freestanding bathtub and walk-in shower.

The second bedroom also enjoys wonderful sea views. It includes an in-room sink, en-suite wet room and separate WC. Guests can also step directly onto the shared terrace.

Three further bedrooms sit on the lower ground floor. Two are spacious doubles with comfortable sofas and en-suite shower rooms. Sliding glass doors open onto a shaded terrace.

The third room can accommodate guests as either a double or twin. It also has an en-suite shower room and access to the terrace.

The two independent guest rooms sit above the main house. One offers a double bed, while the other can accommodate guests as a double or twin. Both enjoy magnificent sea views, en-suite shower rooms and access to a shared terrace.

Tiered Gardens and Secluded Bay

Outside, Villa Opal's tiered gardens create a beautiful setting for relaxing. Massive boulders and buttery dry-stone walls complement low-lying shrubs, flowering plants and ornamental grasses.

Steps lead down through the gardens towards a solarium with comfortable sun loungers. Continue further and you will reach two gates opening onto a secluded rocky bay.

The transparent waters of the Aegean make this a wonderful spot for swimming. As a result, guests can enjoy the sea without needing to leave the property grounds.

Infinity Pool and Outdoor Dining

The L-shaped infinity pool is another standout feature. It sits beside the spacious main terrace and offers beautiful views across the Aegean.

Sliding glass doors connect the pool terrace with the communal living areas. There is plenty of space around the pool for sunbathing, while a furnished sitting area provides welcome shade.

An outdoor dining area sits on the far side of the pool. It features a well-equipped outdoor kitchen and barbecue, making relaxed meals by the sea easy.

With its spectacular views and inviting atmosphere, this could easily become a favourite spot for evening dining. Alternatively, enjoy drinks as the sun sets across the water.
