DESCRIPTION

Luxury Country Estate in Somerset

Inside, Somerset Manor is a remarkable English country estate where centuries of heritage meet contemporary luxury. Home to the same family for nearly four hundred years, the manor has recently been reimagined by acclaimed interior designer Jeffrey Bilhuber, blending timeless elegance with refined modern comfort throughout.

The manor welcomes 16 to 18 guests across nine beautifully designed suites and bedrooms, including four private en-suite suites and additional luxurious family bathrooms. Grand living spaces, wood-panelled rooms, original fireplaces, curated interiors, and expansive windows create a warm yet sophisticated atmosphere across every floor.

From the formal Main Living Room and atmospheric Tapestry Room to the elegant Dining Room seating up to 18 guests, Somerset Manor is designed for both relaxed family stays and exceptional entertaining.

Entertainment, Wellness & Social Spaces

Somerset Manor offers an impressive collection of leisure and entertainment spaces designed for every generation.

The Games Room, located within a separate annex, creates a dedicated entertainment hub complete with a large TV, games console, darts board, table tennis, foosball, pool table, Giant Jenga, and a variety of board games. A stylish bar area and spacious outdoor terrace make it ideal for relaxed evenings and social gatherings.

The newly renovated wellness and fitness centre features a state-of-the-art gym with a rowing machine, treadmill, exercise bike, free weights, and stretching area. Dedicated wellness spaces and outdoor terraces create the perfect environment for both fitness and relaxation.

In addition, the private Cinema Room offers seating for up to 16 guests around a large screen, creating the ultimate setting for movie nights and cosy evenings indoors.

Bedrooms & Private Suites

Each bedroom at Somerset Manor has its own distinctive character and countryside charm.

The Harbin Suite features a super king-size four-poster bed, dual dressing rooms, and an elegant en-suite bathroom with roll-top bath and walk-in shower. The Wyndham Suite and Phelps Suite also offer luxurious en-suite bathrooms, grand beds, and beautiful estate views. Additional bedrooms on the second floor provide flexible accommodation for families and

larger groups, including interconnected rooms and children's sleeping arrangements.

Throughout the manor, large windows frame views across the gardens, woodland, river, and rolling Somerset countryside.

Grounds, Gardens & Countryside Living

Set within 62 acres of landscaped gardens and sweeping parkland, Somerset Manor offers complete privacy and an exceptional connection to nature.

The estate features expansive lawns, a beautifully preserved Walled Garden, elegant outdoor terraces, and direct access to the peaceful River Yeo. Guests can enjoy classic English country pursuits including croquet, cricket, badminton, and rounders, or simply relax within the tranquil grounds.

Whether dining outdoors beneath parasols, enjoying morning walks through the gardens, or gathering around the fire after a countryside adventure, the estate offers an authentic yet elevated English country house experience.

A Somerset & Dorset Experience

Somerset Manor is ideally positioned near England's South Coast, between the counties of Somerset and Dorset.

While the estate feels wonderfully secluded, guests remain within easy reach of iconic destinations including the Jurassic Coast, Stonehenge, and the historic city of Bath.

In other words, Somerset Manor combines peaceful countryside living with access to some of England's most celebrated cultural and natural landmarks.
