DESCRIPTION

The main living area enjoys breathtaking Caribbean vistas through tall walls of windows that can be opened to allow the sea breeze easy access. A contemporary, state-of-the-art kitchen & BBQ with an ocean view will satisfy even your most ambitious home chef. The Villa has cable TV in the media room, WiFi on all floors, and even an iPhone/iPod music jack in every bedroom. But who are we kidding – we all know most of your time will be spent relaxing in the infinity pool or kicking back on a patio chair taking it all in.

The villa features 6 bedrooms, and a media room. Four of the bedrooms enjoy en suite bathrooms designed and built by Italian craftsmen, ceiling fans for when all you need is a little breeze, and climate control if you really need that extra coolness. The sixth bedroom shares an en suite bath.

There are 4 levels of patio decks, connected by an outdoor spiral staircase & elegant central-helical staircase built in Maine adjoins the internal floors. The surrounding property has been landscaped with rainforest gardens, including a waterfall, the villa is private and there is ample parking in the entrance courtyard.
