DESCRIPTION

Elegant Design and Tropical Grandeur

A suspended bridge over a freshwater moat marks the entrance to this luxurious tropical villa in Barbados. This unique walkway connects the lush front garden to a grand entrance foyer. Inside, the luminous sitting area features vibrant elegance and subtle Eastern influences. A built-in library provides a quiet space for readers to relax. A spectacular, colonnaded veranda lines the entire western edge of the main house. This area includes a peaceful koi pond and a wooden overpass. Here, eight guests can enjoy fabulous feasts at a magnificent coral stone dining table.

Gourmet Features and Private Suites

The luxury gourmet kitchen is a dream for any inspired chef. It features high-quality stainless steel appliances surrounded by marble and warm exotic woods. A cozy breakfast nook includes wall-to-wall windows that reveal a panorama of the sprawling gardens. From the grand entrance, a curved staircase leads to the dedicated master suite on the top floor. This suite features a four-poster king bed, a private office, and an en-suite bathroom with a whirlpool bath. Guests can also enjoy a private balcony with vistas of the estate and the Caribbean Sea.

The ground floor of the main house offers two additional guest bedrooms. These rooms blend seamlessly with the adjacent tropical gardens. When you open the doors, the rich green vegetation merges with the elegant coral stone finishes. Each guest bedroom includes a private en-suite bathroom and connects to the villa's entertainment room. The neutral colors and shared patio create a calming environment for rest. Consequently, the layout provides a perfect balance of social spaces and private retreats for all guests.

Infinity Pool and Guest Cottage

The outdoor living spaces are designed for total relaxation. Guests can enjoy a dip in the stunning infinity-edge swimming pool. You can bask on elegant lounge chairs or find shade under large umbrellas. The property also features a one-bedroom guest cottage located right on the pool deck. This cottage includes its own patio for intimate alfresco dining. It offers an extra layer of privacy for couples or visiting friends.

This luxurious tropical villa in Barbados provides everything needed for an unforgettable stay. You are only a short drive from the island's best beaches, golf courses, and fine dining.
