DESCRIPTION

Kaiso is the centrepiece with four spacious en-suite bedrooms, panoramic sea views, and seamless indoor-outdoor living. Enjoy a private pool, shaded gazebo, designated exercise studio and direct beach access; all designed for ultimate relaxation and entertaining.

Step into Kaiso, a luxurious four-bedroom beachfront villa where Caribbean charm meets refined comfort. The interiors are warm and welcoming, with playful Caribbean touches and a relaxed vibe that invites you to unwind. Located directly on the golden sands of Barbados' West Coast, this stunning home offers uninterrupted ocean views from every angle.

Three of the four en-suite bedrooms are located upstairs, all with spacious bathrooms, while the ground-floor bedroom offers convenient access for guests who prefer fewer stairs. The open plan living, and dining areas flow effortlessly onto a private pool deck and patio, with both shaded and sun-drenched spaces perfect for lounging or entertaining while still having a sense of privacy and security.

Enjoy al fresco dining in the outdoor gazebo that seats 16 people, sip cocktails by the pool, work up a sweat in the designated exercise studio or take a few steps to the beach for a morning swim. With vibrant accents, tropical landscaping, and thoughtful design throughout, Kaiso is the ultimate beachfront escape for families, groups or special occasions while seeking luxury and relaxation.

Kaiso beachfront villa offers a flexible and comfortable base for your Barbados adventure.

Important Note on Beach & Swimming:

While the beach in front of the property shifts naturally throughout the year, the sea directly in front is reef-protected year-round, making it ideal for snorkeling and enjoying marine life. If you prefer wading on a sandy bottom, guests can simply stroll a short distance along the beach to the left or right of the property for clear, calm water.
