DESCRIPTION

Interiors

Spread across four floors, Chalet Cortina offers over 900m² of impeccably designed living space. A private elevator connects the levels for convenience. The entire first floor features an elegant living room with a fireplace and a wet bar. It is seamlessly connected to a fully equipped hi-tech kitchen, ensuring culinary delight and comfort.

The sleeping quarters are equally opulent. They include a master suite and five double rooms, as well as 6 bathrooms finished in fine Italian marble. The master suite is particularly grand, featuring two en-suites, a walk-in closet, and a private balcony offering breathtaking views.

For work and productivity, a fully equipped office provides a serene space. Entertainment needs are met by a soundproof cinema room with plush seating and a 60-inch screen. The lower level houses a luxurious underground wellness area. It includes a 20-meter heated pool, a sauna, a massage room, and a fitness area with Technogym equipment. A children's indoor play area ensures fun for younger guests, while a wine cellar featuring the region's finest labels caters to connoisseurs.

Exteriors

Positioned in the highest area of the village, the chalet offers stunning panoramic views of Cortina and its surrounding peaks. Expansive terraces and balconies invite guests to relax and enjoy the alpine beauty. The property also includes secure underground parking for up to eight vehicles and a heated ski room with boot warmers, ensuring smooth transitions to outdoor adventures.

Location

Nestled in the picturesque Dolomite region, the chalet is ideally located in Cortina d'Ampezzo, one of Italy's premier ski and holiday destinations. Known for its world-class slopes, vibrant cultural scene, and fine dining establishments, Cortina provides the perfect backdrop for this exceptional retreat. Guests enjoy easy access to the village center. Meanwhile, the in-house professional team - including a Michelin-starred chef, a butler, and a concierge - ensures every need is met with unparalleled service.
