DESCRIPTION

The entire property, with its amenities and facilities, outdoor and indoor areas, and the views, will thrill you. It can be a very good choice for a family looking for a quiet holiday in a top location, which is close to many attractions. You can also stay in this house as three couples or a group of friends. This 3-bedroom modern rental home is in one of the hottest and most privileged areas of Koh Samui.

Sereniwood Villa is a modern sanctuary that harmonises easily with its natural surroundings. The greenery all around is so refreshing for those who are otherwise busy with their hectic city lives. Its laid-back ambiance is wonderfully relaxing. But do not forget to enjoy the many attractions and activities of the island, many of which are close to this villa. The coveted southeastern side of Koh Samui is well-known among tourists visiting Thailand. Of course, you can also decide to simply relax and enjoy village life for the entire duration of your vacation.

Sereniwood 1 is a single-story home with 3 bedrooms for 6 guests. The three well-appointed bedrooms are designed with relaxation in mind, offering plush bedding, and serene views of the jungle. Two bedrooms have double beds and the third has twins, all with plush linen, soft mattresses, and extra pillows for additional comfort. There are wardrobes with hangers, study tables, makeup mirrors, and bedside tables with reading lights.

Glass sliding doors open to the pool terrace directly. There are two bathrooms in the house. One is ensuite and the second is shared. A single-story layout ensures the family will stay close to each other. Aged guests and those with mobility issues won't have to climb stairs.

It is a tropical wonderland outside. On arriving at this rental home, the sights and sounds of nature will envelop you, which will set the stage for a peaceful holiday away from the crowds. You will see a rich forest all around and agricultural fields where bullocks graze. This is authentic Thailand before the arrival of mass tourism. You can go on long walks to explore the neighbourhood.

The heart of the villa is undoubtedly its inviting pool area. Each room opens to it. The swimming pool and its cool, refreshing water will be exclusively for you and your group. There is also a small garden next to it. Lounge on the pool deck when you are not swimming and bask under the warm tropical sun. Sip a drink casually. Get a fabulous tan. Enjoy the forest and mountain views. There is so much to do even when doing nothing.
