DESCRIPTION

Villa Cranston accentuates the clean lines and earthy tones of its interiors with different shades of green, blurring the borders between the inside and outside. The ground floor features a fully-equipped kitchen, an elegant dining lounge with a table for 10, and a fancy cocktail bar to start your evenings with a favorite drink. As you relax on plush sofas, enjoy the romantic indoor garden with plants growing and hanging in pots, accentuated with basketwork-lighting

The spacious terrace works as an extension of the common spaces, and is perfect for soaking up the sun by the pool or enjoying al fresco dining together. Sauna in the sub-terrain certainly complements the Mediterranean lifestyle.

This private luxury villa in Har town accommodates up to 10 guests in its five double bedrooms.

Four bedrooms are located on the first floor, while the master sits on the ground floor. With king-size beds, balconies, and playful details like ceiling-hung loungers and green-toned wallpapers, the bedrooms are truly personal retreats to rest and recuperate.
