DESCRIPTION

Built on two levels, the main floor has a wide, partly-covered terrace that wraps around two sides of the house and enjoys views out to sea. The extensive ground floor has been imaginatively designed to house an activity room with pool table and sofas perfect for watching TV or DVDs, and plenty of space to enjoy one of the many games provided. There are 7 bedrooms, all with en suite or private bathrooms, ideal for 3 families. All ground floor rooms have access to a shady terrace, the garden and the swimming pool. Renting a boat to explore the coastline is part of the fun of a seaside holiday.
