DESCRIPTION

Shore Pointe is a gated enclave with many luxurious villas and townhomes. The privacy is immaculate and you will never want to leave as it brings an exquisite architectural moment to Cupecoy Beach. Just moments away from the airport, Shore Pointe has gradually blossomed into a butterfly. The area is just so beautiful. You can appreciate the shimmering Caribbean Sea that captures the most beautiful shades of aqua and turquoise under the shining tropical sun. Not to mention, there is the brand new Porto Cupecoy marina and Porto Cupecoy has a gorgeous plaza that is just across the street, offering great entertainment, fine dining restaurants, a grocery shop for your convenience, and a pastry gelateria store that is the perfect place for a romantic day out or to just simply spoil your children.

This award-winning villa is part of a prestigious gated community with some elegant interior designs. It holds four gorgeous bedrooms; one bedroom on the main floor and three suites (including the master bedroom) is located on the second floor.

The overall floor plan of the luxury St Martin villa rental is that the main floor offers a lovely open floor design that showcases a state of the art kitchen, high-end dining area, and an expansive living area with a modern, flat-screen TV that delicately sweeps out to the scenic pool terrace with the shimmering blue pool where you can enjoy the unparalleled views of the Caribbean sunsets on the expansive terraces and verandas.

With clean lines, expansive, open floor plans, this Caribbean style villa is as beckoning and breezy as the Caribbean itself.

Please note the beach conditions of Cupecoy beach are highly variable. The beach ranges from a highly scenic and sandy beach with near-perfect conditions to a rocky beach depending on the shifting sands.
