### DESCRIPTION

## Contemporary mediterranean luxury in suburban location

Can Tranquilo's décor is coastal couture. Think white linen sofas, rustic wood and wicker, and gold notes that refract sunshine across bright rooms. With a breakfast island, huge kitchen table and outdoor dining for 10, there's plenty of scope to keep mealtimes fresh. The conservatory overlooks immaculate gardens and the 20m pool. Slide on in to notch up the lengths prior to an al fresco supper. With stretches of the GR221 and famed bike climbs like Sa Calobra nearby, exercise opps abound. Simply retire to a lounger or Bali bed if you're in the 'holiday means holiday' camp.

Tranquilo's owners know that quality family time, beneath the blissful heat of Mallorca's sun, is a rare commodity. So they've done the thinking for you. The luxurious touches and mod-cons are in place.

This luxury villa comfortably sleeps 8 people and has the option of an extra sofa bed that sleeps two children, to accommodate a total of 10. On the first floor you will find a large master bedroom with super king size beds with Egyptian cotton bedding, large walk-in wardrobe, ensuite bathroom, and a spacious terrace overlooking the beautiful garden and countryside. It also has a nursery room with all the facilities for a baby. There are a further two twin bedrooms on this floor that share a large bathroom and have access to a balcony. The fourth bedroom with double bed with ensuite is located on the ground floor. The extra bedroom with the sofa bed also has its own bathroom and is also located on the ground floor.
