Open-Plan Living and Dining Areas

The main living room offers a comfortable space to relax. It includes a satellite TV, a fireplace, and direct access to the pool area. Natural light fills the room, making it inviting throughout the day.

A short set of steps leads up to the dining area, which seats up to eight guests with ease. This space connects to a bright and fully equipped kitchen with modern appliances. A separate utility room sits nearby and includes a washer, dryer, and an additional fridge for extra storage.

Second Living Room for Relaxed Evenings

Just off the kitchen, a second living room or snug offers a cozy retreat. This space works perfectly for family time, movie nights, or quiet evenings after a day in the sun.

Comfortable Bedrooms Across Two Floors

The ground floor includes two bedrooms. One is a double bedroom with an en-suite bathroom and direct access to the terrace. The second bedroom features twin beds and an adjacent bathroom.

Upstairs, the master bedroom includes an en-suite bathroom and a private terrace with views over the pool and golf course. The final bedroom is a double with its own en-suite bathroom and private terrace, offering comfort and privacy for all guests.

Outdoor Dining and Pool Area

Outside, the villa provides excellent spaces for outdoor living. A dining area under a pagoda includes a charcoal barbecue, perfect for relaxed meals. A second semi-covered terrace features a gas barbecue, offering even more flexibility for al fresco dining.

The 10 x 5 metre swimming pool sits at the centre of the outdoor area and is ideal for cooling off. Pool heating is available for an additional charge.
