DESCRIPTION

Only 10 minutes by car to the main town of the island, Parikia, it's hard to believe how a secluded paradise can be so close to the hustle and bustle of the island, that - especially during the busy summer months - is as crowded as a beehive. Greeted with birdsongs, and surrounded by trees, your only task will be to bask in the serenity and calmness this exquisite home exudes from every corner.

Outdoors

Step out on the extended terrace and enjoy the magic of unspoiled nature and manicured gardens against the backdrop of endless blue. You'll find it hard to choose between the free-form infinity pool and the jacuzzi, as both offer spectacular views of the sea - all the way to the neighboring island of Antiparos - and the estate gardens, which are so lush and fragrant that will make you feel like modern-day Adam and Eve - there's even a spring water pond and a historic chapel; yes, you are in paradise. Sit back, sip your cocktail and enjoy the blissful surroundings!

Indoors

Elegant in the classic clean Cycladic style, the villa features pink and ochre Paros marble, wooden and marble floors, luxurious furnishings and rare antiques from all over the world.

Whitewashed walls and large French doors let light bounce around the space, the fully equipped kitchen is an archetype of country style décor and the four bedrooms feel like cozy hideaways for 8 guests. An independent traditional cottage, evoking a Venetian palazzo feeling, can sleep 2 more guests in ultimate comfort and privacy. Dear luxury, nice to meet you!
