DESCRIPTION

Stylish Cyclades Villa with Infinity Pool

This stylish Cyclades villa with infinity pool offers a private and refined escape with exceptional sea views. It stands out for its whitewashed exteriors, which form abstract yet harmonious geometric shapes. As a result, the villa feels both striking and perfectly in tune with the Cycladic landscape.

The property is considered one of the most stylish private residences in the Cyclades. Handpicked designer furniture adds character throughout, while high-end amenities bring extra comfort to every stay. This stylish Cyclades villa with infinity pool is ideal for guests who want privacy, elegance, and a true sense of retreat.

Elegant Design and Sea View Living

The villa combines contemporary inspiration with the timeless beauty of Cycladic architecture. Inside, the open-plan living spaces feel luminous, spacious, and welcoming. Cosy sofas soften the modern design and create a warm atmosphere for relaxing indoors.

At the same time, the villa balances grand shared spaces with more intimate corners. Smaller secluded terraces extend from the bedrooms, so guests can enjoy quiet moments in private. Therefore, the layout works equally well for social gatherings and peaceful downtime.

Six En-Suite Bedrooms with Extra Privacy

The villa includes six spacious en-suite bedrooms. Each room features high-quality furnishings that create an inspiring yet comfortable setting. In addition, every bedroom enjoys magnificent views of the Aegean Sea.

The accommodation is spread across two consecutive independent buildings. Separate entrances to each room give guests an extra sense of privacy and comfort. Because of this thoughtful layout, the villa suits families, couples, or groups of friends who want to stay together without giving up personal space.

Infinity Pool, Hammam and Outdoor Jacuzzi

One of the main highlights is the dreamlike infinity pool. The 23-metre lap pool stretches towards the sea and creates a dramatic focal point for the outdoor area. From here, guests can take in uninterrupted Aegean views while enjoying a calm and luxurious setting.

A soft wooden deck surrounds the pool and adds warmth to the exterior design. Nearby, the independent outdoor jacuzzi promises unforgettable moments of total relaxation. In addition, the villa includes a hammam, which gives guests another space to unwind and recharge.
