DESCRIPTION

The villa estate is on the south east coast, overlooking Marathonisi island with unobstructed sea views, and only 200 meters from the beach. This villa is all about privacy, tranquility, and of course your utmost comfort and relaxation. The location of Thales offers privacy but with convenience, the capital town and airport are only 18km away, and the famous Laganas beach is 12 km to the north.

Outdoors

Built on a hillside forest of pine and fir trees in a vast estate of private land, Thales sits grandly amid the natural landscape. The pool deck is filled with sumptuous beds and loungers for relaxing, and the glass front to the pool deck offers full panoramic sea views. The extensive grounds are perfect for hosting a reunion party or a wedding and there is also a private chapel for the ceremony. Just ask our concierge for more details. There is a large alfresco dining area with outdoor BBQ, so a private chef can prepare you a sunset dinner as you watch the lights sparkling across the water of the Kolpos Lagana.

Interior

Coyote is a luxury modern Greek vacation villa with wooden flooring throughout, on 2 levels with an internal elevator. The ground level features a tasteful, bright living room and dining area, along with a guest twin bedroom and bathroom. For work emails there is a home office space and a large luminous modern kitchen with local granite floor. The whole level faces out to the sea and the covered terrace by the pool. On the upper level are 5 double bedrooms, 3 of them with jacuzzi bathrooms. As well as a playroom with a multi gym, bike, and ping pong table. Every bedroom opens onto large verandas all of which have views of Laganas Bay and the Ionian Sea.
