The property is designed for al fresco dining under the covered veranda or you could indeed pack up a picnic for the park! There is a barbecue area and wood-fired pizza oven if you fancy trying your hand at making pizza for the whole family.

The large swimming pool has easy access with steps and a beach area, making it ideal for poolside cocktails in the evening. It is safely fenced off so smaller children can play in the gardens without worrying parents. The furnished poolside area is designed to catch the sun all day and guarantees you a superb Italian suntan. The gorgeous gardens and parkland cover 10 hectares in total and contain sweetly scented Mediterranean vegetation, holm oaks and pine trees with plenty of shady areas for settling down with a good book or newspaper.

The Strawberry Tree Suite is set on the first floor and offers accommodation for four guests in two double bedrooms with a bathroom and a spacious sitting room with open fireplace. There is a large kitchen and a panoramic terrace with sweeping views over the olive trees for sipping your morning coffee.

The Mastic Tree Suite is ideal for two guests who enjoy being pampered. There is a double bedroom and a bathroom with a romantic bathtub. The kitchen has an electric oven and a fridge and the spacious sitting room has direct access out into the gardens. The panoramic terrace makes for a perfect sunbathing spot.

The Laurel suite is on the ground floor and overlooks the gardens and swimming pool. It can sleep up to three guests with its double bedroom, walk-in wardrobe, bathroom and sitting area with kitchen and sofa bed. There are two doorways out onto the gardens.

The Thyme suite is also located on the ground floor and sleeps up to four people.
