DESCRIPTION

Words cannot do justice when it comes to this absolutely magnificent brand new luxury designer villa with a private heated ozone pool. Set in a dazzling location in a small Cretan village within unspoilt surroundings, this fabulous self-catered house is set to amaze you in all possible ways. Villa brings you closer to nature where what you see in front of you is the point where the blue of the sky meets the endless blue of the sea.

It is a secluded villa where the limit between inside and outside, tradition and modernity is transcended offering ultimate relaxation and indulgence. The house occupies 2 floors. On the first floor there is the main entrance, the open plan kitchen with cutting edge appliances, a big dining area and a sitting room (there is also a bathroom with a shower and a laundry/storage room). The enormous window doors leading to big verandas rule over the place as well as the blue finishing touches which harmonically intermingle with the rest elements of the house and bring about the theme of sea and Greece in the interior spaces.

On the ground floor there are 4 spacious bedrooms, each with its own style but in keeping with the blue theme of the house. There are also 3 bathrooms. The master bathroom which features both a bathtub and a shower, another ensuite bathroom and finally a bathroom which is shared by 2 bedrooms. What is prevalent in this floor is undoubtedly the indoor waterfall fountain which adds an exotic feel to the house!

Outside there is an enormous 10m x 4m ozone pool with a tanning ledge, endless landscaped gardens and lounging areas as well as a fully operational stone barbecue area.

This house is really awe inspiring by its meticulous attention to detail along with its combination of sublime luxury and simplicity. Its location is very convenient as it is while at the same time it is just a short drive away from local beaches and amenities.
