DESCRIPTION

SOUL is a 66'1" (20.15m) motor yacht by Azimut, built for guests who value quiet luxury and time spent at sea. She accommodates up to six guests in three cabins, with a layout that feels open, balanced, and easy to move through.

The flybridge offers space to dine or unwind, with room to enjoy the view or gather in the shade. Large windows bring light into the interior, keeping the main salon bright and calm throughout the day. Indoors and out, the atmosphere stays relaxed and well connected to the water.

Stabilizers enhance comfort both underway and at anchor, while a rich collection of toys adds to the experience on the water. With a layout designed for ease, fuel-efficient cruising performance, and a calm, inviting atmosphere throughout, SOUL is an excellent choice for those seeking relaxed, uninterrupted time at sea.
